

## BARCELONA GSE SUMMER FORUM 2017 CALL FOR PAPERS

The Barcelona GSE organizes the Fifth **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2017 will take place from May 31 to June 17, 2017.

More detailed information on the Summer Forum 2017 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

**We would like to invite you** to submit a paper to the workshop:

### ECONOMICS OF SCIENCE AND INNOVATION

The workshop will run for 2 days and will take place on **June 15-16, 2017** in Barcelona.

The contribution of innovation to economic prosperity has grown exponentially in recent years with the shift of development economies towards knowledge-based societies. This year's workshop in Science and Innovation shall be centered on two subareas: the analysis of the fundamental role played by scientific research and scientific institutions and the incentives and the mechanisms designed to improve the funding and development of innovative ideas and processes. Topics of interest include, but are not limited to

- New ideas and radical innovation
- Knowledge and technology transfer
- Funding schemes
- Academic networks and team work
- Funding new ideas
- Entrepreneurial finance
- Business angels and business angel networks
- Venture capital

The **deadline for submissions is February 28, 2017**. To submit a paper, please use this link <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid-March. A preliminary program will be announced by mid-April.

Please note that the Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. **The same paper cannot be submitted to more than one workshop but you are welcome to submit a different paper to another workshop.**

We have limited funds available to cover travel expenses for some of the participants. Priority will be given to young researchers, and those with limited research budgets. Please contact the organizers if you would like to make a request.

The Barcelona GSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (SEV-2015-0563).
