

BARCELONA GSE SUMMER FORUM 2018 CALL FOR PAPERS

The Barcelona GSE organizes the Sixth **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2018 will take place from June 11 to June 22, 2018 in a **new venue** in central Barcelona ([Casa Convalescència](#)).

More detailed information on the Summer Forum 2018 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

We would like to invite you to submit a paper to the workshop:

STOCHASTIC CHOICE

The workshop will run for 2 days and will take place on **June 18-19, 2018** in Barcelona.

There is renewed interest in stochastic choice behavior, with recent key theoretical and empirical contributions. The purpose of this workshop is to bring scholars currently working on stochastic choice, from various perspectives, including decision theory, experimental economics, micro-econometrics, psychology, neuro-economics, macroeconomics, etc.

The **deadline for submissions is February 28, 2018**. To submit a paper, please use this link <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid-March. A preliminary program will be announced by mid-April.

Please note that the Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. **The same paper cannot be submitted to more than one workshop but you are welcome to submit a different paper to another workshop.**

The workshop organization will not be able to provide accommodation or travel support for speakers.

The Barcelona GSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (SEV-2015-0563).
