

BARCELONA GSE SUMMER FORUM 2019 CALL FOR PAPERS

The Barcelona GSE organizes the Seventh **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2019 will take place from June 10 to June 21, 2019. The venue will be [UPF Balmes Building](#), Balmes, 132 – 08008 in central Barcelona.

More detailed information on the Summer Forum 2019 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

We would like to invite you to submit a paper to the workshop:

ADVANCES IN MICRO DEVELOPMENT ECONOMICS

The workshop will run for 2 days and will take place on **June 10-11, 2019** in Barcelona.

This workshop aims at being a showcase of recent outstanding contributions in micro Development Economics, and at creating an annual meeting of top researchers in this field in the framework of the Barcelona GSE Summer Forum. Both empirical and theoretical contributions are encouraged.

The **deadline for submissions** is **February 28, 2019**. To submit a paper, please use this link <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid-March. A preliminary program will be announced by mid-April.

Please note that the Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. **The same paper cannot be submitted to more than one workshop but you are welcome to submit a different paper to another workshop.**

The workshop organization will provide support for accommodation for speakers and limited funding will be available only to partially cover travel costs for junior researchers who lack alternative funding sources. If you have questions, do not hesitate in getting in touch with any of the organizers.

The Barcelona GSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (SEV-2015-0563). Funding for the AMD workshop is also gratefully acknowledged from the Ministerio de Economía y Competitividad of the Spanish Government (grant ECO2015-69869-R and grant ECO2015-67602-P) and the People Programme (Marie Curie Actions) of the European Union (grant PCIG14-GA-2013-631510).
