

## BARCELONA GSE SUMMER FORUM 2019 CALL FOR PAPERS

The Barcelona GSE organizes the Seventh **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2019 will take place from June 10 to June 21, 2019. The venue will be [UPF Balmes Building](#), Balmes, 132 – 08008 in central Barcelona.

More detailed information on the Summer Forum 2019 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

**We would like to invite you** to submit a paper to the workshop:

### EXPECTATIONS IN DYNAMIC MACROECONOMIC MODELS, 2019

This is 2019's edition of the workshop that has been organised since 2011.<sup>1</sup>

The workshop will take place on **June 20-21-22, 2019** in Barcelona and is jointly organized by the Barcelona GSE and MOVE Foundation. The workshop aims to bring together leading experts in the modeling of expectations in dynamic macroeconomic models.

We encourage **junior economists** to submit their research, they will also be eligible for funding. In addition to the standard paper presentations there will be a poster session.

**The deadline for submissions is February 28, 2019. To submit a paper, please use** this link: <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid-March. A preliminary program will be announced by mid-April.

Please note that the Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. **The same paper cannot be submitted to more than one workshop but you are welcome to submit a different paper to another workshop.**

The workshop organization will be able to cover travel and accommodation expenses, according to specified guidelines. The workshop is funded by the European Research Council (ERC) under the European Union's Horizon2020, research and innovation programme GA number 788547 (APMPAL-HET).

The Barcelona GSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (SEV-2015-0563).
