

BARCELONA GSE SUMMER FORUM 2020 CALL FOR PAPERS

The Barcelona GSE organizes the eighth **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2020 will take place from June 8 to June 19, 2020. The venue will be [Casa Convalescència](#). More detailed information on the Summer Forum 2020 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

We would like to invite you to submit a paper to the workshop:

ADVANCES IN MICRO DEVELOPMENT (AMD) ECONOMICS

The workshop will run for 2 days and will take place on **June 15-16, 2020**. This workshop aims at being a showcase of recent outstanding contributions in micro Development Economics, and at creating an annual meeting of top researchers in this field in the framework of the Barcelona GSE Summer Forum. Both empirical and theoretical contributions are welcome and submissions from both senior and junior researchers are encouraged.

The **deadline for submissions** is **February 28, 2020**. To submit a paper, please use this link <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid-March. A preliminary program will be announced by mid-April.

The Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. **The same paper cannot be submitted to more than one workshop but you are welcome to submit a different paper to another workshop. The acceptance of the paper is conditional on the submitting author attending the conference for its full two-day duration.**

There is no registration fee, and lunch as well as conference dinner during the workshop will be provided for participants. The workshop organization will provide accommodation for up to three nights, but speakers should cover their own travel expenses. Funding for the AMD workshop gratefully acknowledge the support from the Ramon Areces Foundation, Spanish Ministry of Science, Innovation and Universities and FEDER (through grant PGC2018-094364-B-I00), the Université de Genève and the EU.
