More detailed information on the Summer Forum 2020 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

We would like to invite you to submit a paper to the workshop:

ADVANCES IN ECONOMETRICS

The workshop will run for 2 days and will take place on **June 08-09, 2020** in Barcelona.

Brief description of the workshop

The workshop, which will take place in Barcelona as part of the BGSE summer forum, focuses on recent advances in both theoretical and applied Econometrics, and shall host a number of high quality presentations on themes including, but not limited to, Machine Learning methods in Econometrics, Large Dimensional models, Time Series Modeling and Forecasting, and Microeconometrics.

The **deadline for submissions** is **February 28, 2020**. To submit a paper, please use this link <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid-March. A preliminary program will be announced by mid-April.

Please note that the Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. **The same paper cannot be submitted to more than one workshop, but you are welcome to submit a different paper to another workshop.**

The workshop has no registration fee.
